

Electrical Safety Scope

Safety Orientation

A safety program containing a general safety overview and safe work practices will be conducted during the scheduled competitor orientation. **Attendance is mandatory for all competitors.**

Personal Protective Equipment (PPE)

All personal protective equipment (PPE) must be appropriate for task and meet current ANSI standards, which have been incorporated into the Occupational Safety and Health Administration (OSHA) PPE regulations as follows: Eye and Face Protection ANSI Z87.1; Head Protection ANSI Z89.1; Foot Protection ANSI Z41.1. There are no ANSI standards for gloves; however, selection must be based on the performance characteristics of the glove in relation to the tasks to be performed. During the practical performance test, **ABC National will provide and require** the proper use of the following personal protective equipment for all competitors:

- Ear protection;
- Safety glasses;
- Hard hat; and
- General work gloves.

Exceptions to the provided PPE, with prior approval from the respective project manager, are:

- Prescriptive safety glasses with side shields;
- Prescriptive goggles; and
- Task-specific gloves per industry standards, designed to protect against sharp edges or high heat.

Competitors must provide and use the following:

- Standard work shoes or boots (tennis shoes or sandals are not permitted);
- Blue jean pants or work pants; and
- Shirts with sleeves of minimum 4 inches in length (baggy or excessively loose fitting clothing is not permitted).

Jewelry

Exposed jewelry is not permitted. Examples include (but are not limited to):

- Earrings (stud or dangling);
- Wrist watches;
- Rings;

Electrical Safety Scope

- Studs exposed through the nose, jaw, lip, eyebrow or any part of the body that is visible; and
- Gauges.

Safety Judging

Judges will be present during the practical performance test to score competitors in such safety areas as the use of personal protective equipment, hand and power tool safety, clean work area, etc. Depending on the severity and/or frequency of a violation or violations, the judges, in consultation with the project manager, have the authority to disqualify competitors.

Note: Competitors continue to be judged during disassembly/clean-up activities and are subject to disqualification or deduction of points for safety violations.

Special Competition Announcement

The conduit-bending portion of the electrical practical performance test will be conducted on Tuesday, March 30, 2018 during the competitor practical performance test site orientation.

All tools to complete this portion of the exam will be provided by NCC. Competitors will need to bring safety glasses, gloves and boots, which must be worn during this portion of the competition.

First Aid

All injuries should be reported to the project manager immediately. The project manager will determine the appropriate action, including assistance by onsite EMT personnel.
